## INGREDIENTS:

Calcium Carbonate, Monocalcium Phosphate, Magnesium Oxide, Salt, Soybean Meal, Alfalfa Meal, Sodium Bicarbonate, Biotin, Copper Sulfate, Fish Meal, Lysine, Molasses, Red Iron Oxide, Rice Bran, Sugar Beet Pulp, Zesterra® (Corn Oil, Glycerin, Onion Extract, Orange Oil Extract, Guar Gum, Soybean Oil, Vegetable Oil, Mineral Water), Sulfur, Vitamin A Supplement, Vitamin E Supplement, Zinc Sulfate, Ground Corn, Aspergillus Orzaye, Choline Chloride, Cobalt Sulfate, Vitamin D Supplement, Iodine, Manganous Oxide, Niacin, Pantothenic Acid, Riboflavin, Sodium Bentonite, Vitamin B Supplement and Zinc Oxide

## FEEDING RECOMMENDATIONS:

Initially place tubs where horses can easily access area based on routine routes, avoid placing tubs on hillsides and away from gullies. Subsequent tub placement should be in areas where horses will effectively graze available forage. Feed at the rate of one 125 lb. tub for every 1-15 head. Intake may vary due to pasture conditions and availability of other feed sources. Approximate consumption should be 0.25-1.0 lb/head/day. Provide plenty of clean, fresh water and salt at all times.

Caution: Due to high Copper content, do not feed to sheep or other unapproved livestock. This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed.

# Pro Earth Equine 13%

This free-choice cooked molasses equine supplement is suitable for horses of all ages fed moderate to high-quality forages. Incredibly palatable, this tub is highly fortified with premium vitamins and trace minerals to assist in your horses' optimum daily mineral needs. Formulated with Zesterra®, a 100% natural product formulated to encourage feed and water consumption in times of stress.
